SPECTRUM

VALUES PROGRAM—NEW AT S.M.A.

New at Saint Mary's this year is the values program, initiated by the resident counselor, Linda Haas, and implemented by the Student-Staff Advisory Council. Each new emphasis centered around a different value, and each focus was accompanied by discussions and class or individual projects. As students showed their special talents, gifts, and insights, it was hoped they would learn something about where they stand on some of life's important hurdles. A good first year, and getting better!

The values focus began with a kick-off assembly, a film perhaps, and then successive weeks of talks and projects. Subjects ranged from "spirituality" and "sexuality" to "decision-making" and "self-esteem." One of the most creative months was one in which a girl adopted an egg for a week to learn about the risks and responsibilities of parenthood and decision-making. As members of each class participated in the activities, spirit points were attributed to that class and at the end of the month, a values dinner was held, announcing the winner for that month as well as commending girls who did outstanding jobs during that month's emphasis.

KALEIDOSCOPE DAYS

Variety In Learning

K-Days are different learning experiences for the students of S.M.A. Our first K-Day was researching the history of the Peoria Diocese and Catholic education. Throughout the day, we scraped for information and then studied for a quiz-down competition later on that day.

. . . *From Parishes To Pizza* . . .

Our second K-Day was learning not only for the students, but the staff as well. In the morning, the students spent their time making their own lunches, centered around them for their group. The afternoon was spent doing things such as macrame', exercising, and even ice-skating. All these activities were mind-expanding and fun besides!

What is it that we're living
for?
Applause, Applause
Nothing I know brings on
the glow, like sweet applause.
You're thinking you're
through, that nobody cares
then suddenly you hear it
starting!
And somehow you're in charge
again, and it's a ball-
Trumpets all sing,
Life seems to swing,
and you're the king of it all
'cause you've had a taste of
the sound
that says love,
Applause!
Applause!
Applause?

From The Song
"Applause, Applause"

SPOTLIGHTS

THE 1840 REVIEW

This play, an original production, written by Mrs. Dodd, director, was a patriotic salute to America in words and songs.

CHRISTMAS CONCERT

The chorus was enjoyed by all this Christmas holiday, including a pretty solo by the group's director, Mrs. Dodd.

HAPPY JOURNEY TO CAMDEN AND TRENTON

St. Mary's students (and a special performance for the grade school children) were entertained by the drama students last November in this Thornton Wilder play. For the most part our imaginations were stimulated because this "journey" took place in an imaginery automobile, heading for a relative's house. An exceptionally fine job was done by the performers, and a good time was had by all.

TOGETHERNESS . . .

A Way Of Life At St. Mary's

THE DORM

Sometimes we hate it.
But then, sometimes we don't.
It offers us friends to meet with
and provides us with
a not-so-quiet-place to go crazy in.
Dormitories are strange.
They're fun (and funny!)
But often boring.
They're confining.
But they allow us freedom of thought
and an environment
in which to tap that
hidden, and sometimes feared,
resource of the mind.
Dorms are okay, I guess,
because they're a part of my life.

NATIONAL HONOR SOCIETY — ALWAYS REWARDING EXCELLENCE

'78 Honors To Eveie, Sonia, Theresa, Khoi, & Laurie

An often taken-for-granted aspect of life at any high school is the National Honor Society. It is an organization open to students who show promise in academic, service and leadership areas. This year's girls, voted upon by the staff are to be commended for their efforts and their speeches at their induction ceremony.

"ALICE" A DIFFERENT KIND OF EXCELLENCE A SPECIAL KIND OF DRAMA —

GETTING READY! Of course, these are pictures of preparing for the actual performance, but before this time, countless hours of memorizing, rehersing, singing, building and painting props, collecting costumes have all taken place. Under the gifted direction of Ms. Kay Fineran, the students and a few staff members, worked together to produce a play for Family Day.

ALICE IN WONDERLAND

Alice in Wonderland, the Carroll story set to music by Harvey Gaul, was wonderfully presented this spring at St. Mary's. Alice, a lovely young lady, played by senior Sonia Elliott, finds herself in a strange new land with all sorts of peculiar people, animals, and cards. From scene to scene, the audience accompanied Alice to a dance, croquet game, tea party, & trial with a lot of enjoyable songs and dances mixed in for fun. All the cast and crew members are to be warmly congratulated on their efforts.

2ND ANNUAL WINTER CARNIVAL

One of the main activities this year was our 2nd Winter Carnival. Nearly everyone got involved — building, painting, and setting up booths of all sizes and shapes. A lot of hammering, a lot of painting, a little yelling, but mostly a lot of fun. The day of the Carnival was full of excitement. There was something for everyone: games for kids, raffles on a large and small scale, all kinds of games of chance, crafts and food items, and even a jail in which to land your best friend (or favorite (?) teacher!). A success by any standard, and our hats go off to those who organized and ran the event, and of course, to all those whose behind-the-scenes work helped to make the carnival fun to be at and proud to work for.

P.S. The chicken dinner was great, too!

What Do You Get With Two School Buses Filled With Girls, Four Cars Of Faculty, A 1,000 Pounds Of Food, And A Lot Of Excitement And Memories On A Hot And Humid Day? (Turn Upside-Down For Answer)

From almost the first day of school, everyone has heard about Crapo.

It's a last fun-fling for the seniors, sensational times for the students, a refreshing break for all the staff, and a bit of work for the freshmen.

The trails ... the talks ... the food ... the recreation ... the signing of yearbooks ... the twisting of rings ... the chance to say "I care" and the building of fine memories.

ANSWER: CRAPO PICNIC '78!

GRADUATION AND GOODBYE

The excitement! The splendor! These are words that aptly describe Graduation at St. Mary's Academy.

The beautiful Mass and special tradition of sharing candles are only a prelude to a lovely day.

At the Graduation ceremony, the Class of 1978 were presented by their peers and talked to by Brother Bill Myers, in a graduation address truly meant for the graduates.

Following the ceremony were a reception and heart-tugging goodbyes.

"GOOD LUCK TO ALL!"

Hannah,

Even though I met you last two years ago. I really felt like I met someone new. Because I remember when I use to fight with you. Now you feel like a real friend. Maybe this summer we can get together and do something when I am not working. I hope you have a nice summer and when you come back next year you will enjoy being with the people.

Love
Connie

Hannah,

Wherever you go and whatever you do,
